Outreach Visits

We have been visiting schools for many years and we believe the best way of learning about birds of prey and retaining the knowledge is by seeing them up close. We are able to cater our visits to children of all ages.

What is included?

- A choice of birds from: Owls, native species of birds or a variety of species including owls, hawks, eagles and falcons.
- A talk on each of the species.
- Free flying display of some of the species.
- Question and answer time.

Talks are tailored to the specific needs of each class covering different subjects such as habitat, conservation, food chains, adaptations and night and day.

Prices

- £3.00 per child up to 50 children
- £2.50 per child after 50 children
- Travel expenses for under 15 miles at no extra cost.
